

Oarsport Junior Sculling Head 24th March 2017

The Junior Sculling Head is held on the Olympic Rowing Lake at Dorney each year and is considered to be the sculling equivalent of the National Schools Head. As such we attract over 2000 juniors each year along with their supporters and families.

Every year we produce an A5 colour programme to provide competitors and spectators with information on the event and the sport. It also, most importantly, puts our advertisers' names in front of a massive audience. Would you like to be part of this?

We are offering the following opportunities for rowing related companies to advertise with us:-

- ½ page advert £100
- Full page advert £175
- Back Cover or inside cover £200
- Trade Stands £100

NEW FOR 2017!

In addition to this we can now offer you the opportunity to advertise in both the Junior Sculling Head Programme and the Junior Sculling Regatta Programme for a reduced rate.

We introduced the Junior Sculling Regatta last year to offer more high quality junior sculling races for J14s to J18s. It proved very successful and will now become a stand-alone event on 14th May 2017.

The Junior Sculling Regatta in 2016 attracted entries from 26 schools and 51 clubs. It was a successful day of racing both on the water and on the bank. Approximately 400 boys and 360 girls raced, supported by their coxswains and coaches. The number of parents attending is not known but over 500 cars were parked in the spectators' area. Some 100 volunteers helped to run the event.

If you would like to take the opportunity to advertise in both the Head and the Regatta programmes the rates are as follow:-

- ½ page advert £175
- Full page advert £300
- Back Cover or inside cover £350
- Trade Stands £175
