Entries

- Entries and Payment via BROE2 only.
- Opening 4th April. Close Tuesday 23rd April at Noon.
- We will not suspend entries until the closing date so no need to rush.
- We expect to have more entries than we can fit into the day. All clubs or schools will get one entry in each event subject to achieving a minimum average PRI – average PRI is the average BROE Points per competitor. As a guideline, in 2023 A crews with average PRI above the following were accepted – J14 with 8 pts, J15 with 25 pts, J16 with 40 pts, J17/18s 50 pts.
- The best 2nd boat entries, ie with the highest PRI will be accepted. In 2023 we accepted 2nd boats with PRI above the following- J14 32pts, J15 100pts, J16 160pts J17/18 200pts. We will define the 2nd boats as those with the lower PRI for that club or school in each event, regardless of how the club and school designate them.
- If you enter crews or scullers with average PRI below those shown you are unlikely to get an entry. The limits may increase depending on the number and quality of entries this year.
- If you enter a crew with a low average PRI but think they merit inclusion please email the entries secretary with justification and we'll consider this.
- No more than two entries from any club in one event.
- We will advise rejected crews on 26th April to give you a chance to enter other events.
- We may merge or cancel events that have few entries.
- Entry fees will not be refunded if a crew withdraws after the closing date.
- In the event of cancellation, a proportion of the entry fee may be returned.
